

Petition Against Breed Specific Legislation

We the undersigned are against Breed Specific Legislation. Breed Specific Legislation judges dogs based on breed or physical appearance – not actions or temperament. It targets large groups based on the actions of a few. It offers a false sense of security because it doesn't address the real problem, irresponsible dog owners. Breed Specific Legislation also comes at a high and unnecessary cost to taxpayers.

Organizations Opposed to Breed Specific Legislation:

American Veterinary Medical Association (AVMA) The American Kennel Club (AKC)
The United Kennel Club (UKC) American Temperament Testing Society (ATTS)
National Animal Control Association (NACA) Humane Society of the United States (HSUS)
American Society for the Prevention of Cruelty to Animals (ASPCA)
